## **INDEPENDENT AUDITOR'S REPORT**

To the Library Board  
Putnam, Alachua, Levy Library Cooperative

### **Report on the Financial Statements**

We have audited the accompanying financial statements of the governmental activities and General Fund of the Putnam, Alachua, Levy Library Cooperative (the "Cooperative") as of and for the fiscal year ended September 30, 2013, and the related notes to the financial statements, which collectively comprise the Cooperative's basic financial statements as listed in the table of contents.

#### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### ***Auditor's Responsibility***

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### ***Opinions***

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and General Fund of the

Cooperative as of September 30, 2013, and the respective changes in financial position thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### **Other Matters**

#### *Required Supplementary Information*

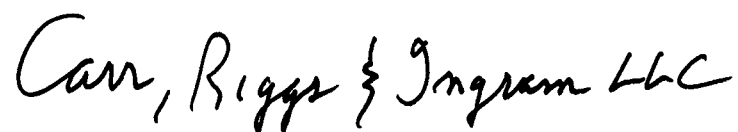

Accounting principles generally accepted in the United States of America require that management discussion and analysis and the budgetary comparison information be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

#### *Other Information*

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements. The supplementary information listed in the table of contents is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statements as a whole.

### **Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated February 24, 2014, on our consideration of the Cooperative's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Cooperative's internal control over financial reporting and compliance.

## Management's Discussion and Analysis

---

This discussion and analysis of the Putnam, Alachua, Levy Library Cooperative's financial performance provides an overview of the Cooperative's financial activities for the fiscal year ended September 30, 2013. Please read it in conjunction with the Cooperative's financial statements, which follow this section.

### **OVERVIEW OF THE BASIC FINANCIAL STATEMENTS**

The Cooperative is engaged in a single governmental program and administers only one fund, the General Fund. It has taken the option of presenting combined fund financial statements and government-wide statements using a columnar format that reconciles fund financial data to government-wide data in a separate column.

The Statement of Net Position and Governmental Fund Balance Sheet reports the Cooperative's financial position as of the end of the fiscal year for both the General Fund and the governmental activities.

The Statement of Activities and Governmental Fund Revenues, Expenditures and Changes in Fund Balance reports changes in financial position of the General Fund and the governmental activities, and the degree to which the functional expenses are offset by program revenues for the governmental activities.

**BUDGETARY HIGHLIGHTS**

There were no changes between the original and final budgets. A positive variance primarily occurred because the reserve for contingencies was not utilized.

**CAPITAL ASSETS AND DEBT ADMINISTRATION**

**Capital Assets**

The Cooperative has no capital assets.

**Debt Administration**

The Cooperative has no long-term liabilities.

**ECONOMIC FACTORS**

We are not currently aware of any conditions that are expected to have a significant effect on the Cooperative's financial position or results of operations.

**CONTACTING THE COOPERATIVE'S FINANCIAL MANAGEMENT**

This financial report is designed to provide our citizens, taxpayers, customers, and creditors with a general overview of the Cooperative's finances and to show the Cooperative's accountability for the money it receives. ## Notes To Financial Statements

---

### **NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The accounting policies of the Putnam, Alachua, Levy Library Cooperative (the “Cooperative”) conform to generally accepted accounting principles as applicable to governments. The following is a summary of the more significant policies:

#### ***Reporting Entity***

The Cooperative is a cooperative library system serving the public libraries of Putnam, Alachua, and Levy Counties. The Cooperative was created, in September 2010, through an interlocal agreement, pursuant to the authority provided in Section 163.01, Florida Statutes, and began serving the citizens of the three-county region on October 1, 2010. The Cooperative’s purpose is to provide for the coordination of library service throughout the region; to provide for equal access to free public library service to all residents of the region; and to formulate and implement consistent plans, programs, policies, and procedures in the operation, maintenance and development of library services throughout the region.

The Cooperative receives substantial support from the State of Florida under grants with the Florida Division of Library and Information Services. These grants must be renegotiated at the end of each grant term.

The Cooperative is governed by a Library Board whose members are appointed by the respective member counties. For Putnam and Levy Counties, each county’s Board of County Commissioners appoints two members of the Library Board. For Alachua County, the Alachua County Library District appoints two members of the Library Board.

The Cooperative uses the criteria established in GASB Statement No. 14 to define the reporting entity and identify component units. Component units are entities for which the Cooperative is considered to be financially accountable. There are no entities included as a component unit within the Cooperative’s reporting entity.

#### ***Reporting Model***

As an independent special district, the Cooperative accounts for its activities using the governmental financial reporting model and follows GASB Statement No. 34, *Basic Financial Statements – and Management’s Discussion and Analysis – for State and Local Governments*, as amended.

The Cooperative is engaged in a single governmental program and administers only one fund, the General Fund. It has taken the option of presenting combined fund financial statements and government-wide statements using a columnar format that reconciles fund financial data to government-wide data in a separate column.

The Statement of Net Position and Governmental Fund Balance Sheet reports the Cooperative’s financial position as of the end of the fiscal year for both the General Fund and the governmental activities.

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

The Statement of Activities and Governmental Fund Revenues, Expenditures and Changes in Fund Balance reports changes in financial position of the General Fund and the governmental activities, and the degree to which the functional expenses are offset by program revenues for the governmental activities.

***Measurement Focus and Basis of Accounting***

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows.

The General Fund's financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the Cooperative considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when the related fund liability is incurred.

Intergovernmental revenues are considered to be susceptible to accrual and have been recognized as revenues of the current fiscal period. Certain other revenue items may be considered to be measurable and available only when cash is received.

***Cash and Cash Equivalents***

All deposits are placed in a bank that qualifies as a public depository, as required by law (Florida Security For Public Deposits Act). Accordingly, all deposits are insured by Federal depository insurance and/or entirely collateralized pursuant to Chapter 280, Florida Statutes.

***Net Position/Fund Balance***

Net position represents the difference between assets and liabilities reported for the governmental activities. Net position is reported as *restricted* when there are externally imposed restrictions. *Unrestricted* net position is net position that does not meet the definition of the classification previously described.

When both restricted and unrestricted resources are available for use, it is the Cooperative's policy to use restricted resources first, and then unrestricted resources as they are needed.

The Cooperative follows the provisions of GASB Statement No. 54, *Fund Balance Reporting and Governmental Fund Type Definitions* to classify fund balances for governmental funds into specifically defined classifications. The classifications comprise a hierarchy based primarily on the extent to which the Cooperative is bound to honor constraints on the specific purposes for which amounts in the funds can be spent.

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

The fund balance classifications specified in GASB Statement No. 54 are as follows:

*Nonspendable Fund Balance* – Nonspendable fund balances are amounts that cannot be spent because they are either (a) not in spendable form or (b) legally or contractually required to be maintained intact.

*Restricted Fund Balance* – Restricted fund balances are restricted when constraints placed on the use of resources are either: (a) externally imposed by creditors, grantors, contributors, or laws or regulations of other governments; or (b) imposed by law through constitutional provisions or enabling legislation.

*Committed Fund Balance* – Committed fund balances are amounts that can only be used for specific purposes as a result of constraints imposed by formal action of the Cooperative's highest level of decision-making authority, which is a resolution of the Board of Directors. Committed amounts cannot be used for any other purpose unless the Cooperative removes those constraints by taking the same type of action.

*Assigned Fund Balance* – Assigned fund balances are amounts that are constrained by the Cooperative's intent to be used for specific purposes, but are neither restricted nor committed. Intent is expressed by (a) the Board of Directors or (b) a body or official to which the Board has delegated the authority to assign amounts to be used for specific purposes.

*Unassigned Fund Balance* – Unassigned fund balance is the residual classification for the General Fund.

The Cooperative's policy is to expend resources in the following order: restricted, committed, assigned, and unassigned.

***Use of Estimates***

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make various estimates and assumptions. Actual results could vary from the estimates that were used.

**NOTE 2 – RISK MANAGEMENT**

The Cooperative participates in the Florida Municipal Insurance Trust, a public entity risk pool through the Florida League of Cities, for risk related to workers' compensation and professional liability.

## MANAGEMENT LETTER

To the Library Board  
Putnam, Alachua, Levy Library Cooperative

We have audited the financial statements of the Putnam, Alachua, Levy Library Cooperative, as of and for the fiscal year ended September 30, 2013, and have issued our report thereon dated February 24, 2014.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Additionally, our audit was conducted in accordance with the provisions of Chapter 10.550, Rules of the Auditor General, which govern the conduct of local governmental entity audits performed in the State of Florida and require that certain items be addressed in this letter.

### Prior Audit Findings

The Rules of the Auditor General require that we comment as to whether or not corrective actions have been taken to address findings and recommendations made in the preceding audit. If the audit findings in the preceding audit report are uncorrected, we are required to identify those findings that were also included in the second preceding audit report. The Cooperative has no uncorrected prior audit findings that are required to be identified pursuant to the Rules of the Auditor General.

### Financial Condition

As required by the Rules of the Auditor General, the scope of our audit included a review of the provisions of Section 218.503, Florida Statutes, "Determination of Financial Emergency." In connection with our audit, we determined that the Cooperative has not met one or more of the conditions described in Section 218.503(1), Florida Statutes, which are indicative of a state of financial emergency.

Also, as required by the Rules of the Auditor General, we applied financial condition assessment procedures, as of the end of the fiscal year, pursuant to Rule 10.556(7). It is management's responsibility to monitor financial condition, and our financial condition assessment was based in part on representations made by management and the review of financial information provided by management. The application of such procedures did not reveal evidence of "deteriorating financial condition" as that term is defined in Rule 10.554.

## **Annual Financial Report**

As required by the Rules of the Auditor General, we determined that the financial report filed with the Department of Financial Services pursuant to Section 218.32, Florida Statutes, is in substantial agreement with the audit report for the fiscal year ended September 30, 2013.

## **Investment of Public Funds**

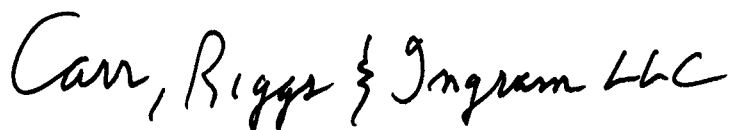

As required by the Rules of the Auditor General, the scope of our audit included a review of the provisions of Section 218.415, Florida Statutes, regarding the investment of public funds. Our audit did not reveal any noncompliance with the provisions of Section 218.415, Florida Statutes.

## **Other Matters**

Our audit did not reveal any other matters that we are required to include in this management letter.

This management letter is intended solely for the information and use of the Library Board, management, and the Office of the Auditor General, and is not intended to be and should not be used by anyone other than these specified parties.

We wish to take this opportunity to thank you and your staff for the cooperation and courtesies extended to us during the course of the audit. We have sincerely enjoyed our association with the Putnam, Alachua, Levy Library Cooperative and look forward to a continuing relationship. Please let us know if you have any questions or comments concerning this letter, our accompanying reports, or other matters.

## **INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Library Board  
Putnam, Alachua, Levy Library Cooperative

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the governmental activities and General Fund of the Putnam, Alachua, Levy Library Cooperative (the "Cooperative") as of and for the year ended September 30, 2013, and the related notes to the financial statements, which collectively comprise the Cooperative's basic financial statements, and have issued our report thereon dated February 24, 2014.

### **Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Cooperative's internal control over financial reporting (internal control) to determine audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Cooperative's internal control. Accordingly, we do not express an opinion on the effectiveness of the Cooperative's internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

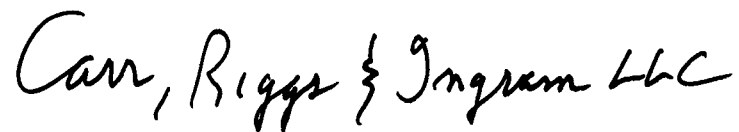

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

## Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Cooperative's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

## Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
